## Why Not Give "Her" a Few Pretty Waists?

A Wonderful Variety of the Smartest New Styles Are Here Attractively Priced—Waists Put in Holly Boxes Upon Request

A beautiful waist that will be a welcome addition to any woman's wardrobe—for no woman ever has too many. Lovely waists can be purchased here at the same price you would pay for something she would value much less.

We mention briefly a few of the styles—

Gold Lace or Painted Chiffon Waists, \$3.98

Formerly Priced at \$5, now

A large and varied collection here to choose from. Two are pictured—a dressy gold lace waist over China silk, with a black velvet standing collar and black velvet trimming on the front pleat and cuffs. The other is of painted chiffon with new lace collar and cuffs, and so dainty the picture can barely suggest its beauty. Many other styles, each one prettier than the other.

Dressy New Waists, \$2.45

Good Value at \$3.98.

A splendid collection of the handsomest styles in crepe de chine, chiffon and lace. Those lovely lace and satin combination styles, as well as embroidered. Pompadour lace effectively combined with lace panels in a new quaint style is shown, in all the correct colors.

Embroidered Crepe de Chine & Sand Color Voile Waists, at \$1.98

The crepe de chine blouses are in splendid styles, prettily embroidered and hemstitched, in flesh and white and many others.

The sand color voile waists are advance Spring styles, embroidered in self color, with folds or frill collar and pearl button trimming. This is only one of many styles to select from.

Pure Linen Waists in White, at \$1

One of the smart models has a convertible collar that makes it either into a high or low neck waist, giving two distinct ways to wear it. Another model has French collar and cuffs. Many other good looking styles are in jacquard crepes, voiles or caterpillar crepe at this \$1 price.

Two of the Handsome Styles at \$3.98

Exquisite Afternoon, Evening or Dance Dresses Made to sell at \$14.75, \$16.50 and \$19.50, at \$8.95

There will be another opportunity tomorrow for you to obtain a beautiful dress At Less Than January Reduction Prices

Whatever the occasion may be, as long as you wish to appear your best at it, the correct dress is here. And the opportunity comes in time for the holiday festivities too.

The styles are the handsomest shown this season, the variety extensive enough to please every one. All the correct materials in colors for street or evening wear—Crepe de Chine, Charmeuse, Satin, Silk Poplin, Chiffon and Velvet or Serge Combined with Satin.

None sent on approval or C. O. D. No mail or phone orders filled.
